<b>It is a great shame, indeed, for any person to ridicule the Savior of the humanity</b>	<b>من أكبر العار أن يهزا أي فرد بمحمد صلى الله عليه وسلم منقذ البشرية</b>

<b>Objection and disapproval of the Norwegian attack on the personality of Allah's Messenger; Mohammed</b>	<b>اعتراض وإنكار على الإساءة النرويجية نحو رسول الله محمد صلى الله عليه وسلم</b>

All praise is due to Allah, the Almighty. May Allah's peace and blessings be unto the man whom the Lord of all worlds addressed him as follows, 'We send you as a mercy for mankind' [The Prophets 18:107]	) : [ : ] ( .
Day by day, the Christian West, who claims a so-called civilization and modernization, whereby educated members of the Western society claim humanitarian calls, the West reveals a clearer picture of its reality. The West is committing daily some of the worst actions and the least humane ones. One of these worst acts is to wage a war against the man who taught the humanity the meaning of the human rights; <b>Mohammed PBUH.</b> Allah the Almighty reports the truth saying in the Glorious Quran, 'If they [i.e. the non-Muslims] overcome you, they would not pay any attention to any weakness or any pledge of allegiance. They please you by their [words of] mouth, while	.

<p>their hearts deny and meanwhile, the majority of them are deviant [from the path of truth]' [The Repentance 9:8]</p>	<p>• ﷺ ): ]( .[ :</p>
<p>Several Western media, along with various disturbed and troubled writers have recently taken turns ridiculing the Prophet of Islam; <b>Mohammed</b> PBUH.</p> <p>They all attempted to attack his personality and blemish his wide fame and super reputation worldwide using dirty language and filthy descriptions. Some even used their cartoonist skills to draw ugly pictures and false images for his well-known most loving personality.</p> <p>They did not hesitate to announce all that publicly to their readers in the Christian western societies in Europe and America through various types of media. No rebuts, objections, denials or disapprovals about that were made in such societies, in spite of its drastic effects. Last, but not the least of such filthy remarks was the following:</p>	<p>• • :</p>
<p>1. The filthy ridiculing and attacking statements of the following church ministers: Pat Robertson, Franklin Graham, and Jerry Fighter about the religion of Islam and against the person of Prophet <b>Mohammed</b> PBUH.</p>	<p>( ) ( ) ( ) ( ) ( ) • ﷺ</p>
<p>2. The Vatican's well-supported missionary Bible Publication Priests Association; a heavily financially supported association with the Vatican's funds, based in Rome and considered to be one of the most vital and important Vatican's organizations.</p> <p>This association consists of approximately one million active people who work around the clock and all around the world to stop or prevent the spread of Islam in the world using every possible force and</p>	<p>) ( ) ( ) • • ﷺ • !! ( ) :</p>

<p>method. Besides, it aims to distort the image of the Prophet of Islam; Mohammed PBUH, describing him with the worst and most filthiest, shameful and foul language through a project which they called, 'Million Against <b>Mohammed</b>'!!.</p>	
<p>3. The attack by the Danish newspaper Jyllands-Posten, by drawing twelve ridiculing caricature pictures on Friday September 30<sup>th</sup>, 2005, offering various images for the Prophet of Islam, one of them put a turbine over his head that resembles a bomb!</p>	<p>) ( ( yllands-Posten/ ( ) ( ) /</p>  <p>!!</p>
<p>4. And, here we have the Christian Norwegian magazine; namely Magazinet, that follows the same path and falls under the same filthy and sinful category. This magazine repeated the same ridiculing caricature pictures on January 10<sup>th</sup>, 2006.</p>	<p>) ( ( Magazinet / .</p>
<p>The chief editor of this magazine Fibyorn Celbek writes, 'I feel like Jyllands-Posten, fed up with the deteriorating hidden freedom-of-speech. Many people did a lot to burry this issue. These pictures are but a small contribution in this regards.</p>	<p>) » : ( » : « . !!«</p>
<p>Such evil and vicious people continue to ridicule the purest and most honorable man on the face of the earth; <b>Mohammed</b> PBUH. I would like to refer to my previous article rebutting the Jyllands-Posten cartoons, which was summarized in Madinah and Hayat newspapers and was published fully in <a href="http://Saidalfawaed.net">Saidalfawaed.net</a> : <a href="http://saaid.net/Doat/shaya/1.htm">http://saaid.net/Doat/shaya/1.htm</a></p>	<p>. (Jyllands-Posten/ ) :</p> <p><a href="http://saaid.net/Doat/shaya/1.htm">http://saaid.net/Doat/shaya/1.htm</a></p>
<p>I would like to confirm here that Muslims all over the world and the entire world as well, are historically responsible</p>	

<p>to defend such a faulty and false claims and attacks in order to put things in their proper place. Such false claims and vicious attacks are a harmful warning to the entire world, unless it is dealt with as lies, fabrication and false claims.</p>	<p>.</p>
<p>I believe that the international organizations, especially the UN and Human Rights organizations are to take most of the blame for condoning and not demonstrating any clear objection towards such vicious acts towards the prophet of mercy; <b>Mohammed</b> PBUH, as they usually do in such cases, such as directing any accusations and remarks against Semitic movement or the Holocaust, and any similar marginal cases!</p>	<p>: !!</p>
<p>What and which right is more worthy to be defended by such organizations if they do not defend the purest man in history? Which worldly principle would be honored and respected if the principles of the most honorable individuals; the Prophets and Messengers of Allah the Almighty, are being ridiculed and attacked without demonstrating any objection, especially the best and most honorable of all prophets and messengers <b>Mohammed</b> PBUH?</p>	<p>! ! .</p>
<p><b>As for the chief editor of <i>Magazinet</i>, I would like to inform him the following:</b></p>	<p>( ماغازينت / ) : ( <i>Magazinet</i> )</p>
<p><b>Mohammed</b> PBUH, is the purest and most honorable man on earth, and such nonsense remarks would surely not harm him or his great personality.</p>	<p>:</p>
<p>As for the similar writers, I would like to inform them that the claim of freedom-of-speech does not entitle nor permit anyone to cause any harm to anyone else without a due right.</p>	<p>: .</p>
<p>Ridiculing important figures does not serve the interests of Norway or even Europe.</p>	<p>: .</p>
<p>Ridiculing the Prophets is truly the way of evil-minded people. Those who attempt to harm the Prophets are promised with</p>	<p>:</p>

Allah's revenge.	.
<p>I would further like to inform them that the history would not record the lies and false claims of those who attack and wage war against the Prophets and Messengers of Allah. Such attackers would subject themselves for a tremendous loss.</p> <p>History rather listens and records the statements of noble, fair and just people who categorized such vicious attacks as one of the largest foolish acts. You may read some of what such fair and just people had written in that regards:</p>	:
<p>1) The British writer and critique, Bernard Show, in his book Mohammed, which was ordered to be burnt by the British authorities, says, "This world is in a bad need for a man with the thinking style and ability of that of <b>Mohammed</b>.</p> <p>This Prophet who always placed his religion in a respectable and honorable position. This religion is the strongest to digest all civilizations and be an eternal religion.</p> <p>I notice that many British citizens embraced Islam rightfully. This religion will find great accommodation in Europe</p>	<p>( ) (</p> <p>: " "</p> <p>.</p> <p>.( )</p>
<p>The clergy men in the middle ages, as a result of discrimination and ignorance, had painted a dim picture for Mohammed. They considered him an enemy for Christianity!.</p> <p>However, after researching his personality, I discovered that he was a great man. I concluded that he was never an enemy for Christianity; rather he should be called the savior of the humanity.</p> <p>In fact, if he is given the leadership in our world today, he will resolve the entire world problems in a manner that secure peace and prosperity for the entire humanity.</p>	:!
<p>2) The English philosopher, Thomas Carlyle, the Nobel Prize winner says in his book, 'The Heroes', 'It is extremely</p>	<p>( ) (</p> <p>: " "</p>

<p>shameful to anyone to believe that Islam is nothing but a bunch of lies. And, it is equally shameful to believe that <b>Mohammed</b> is a liar and cheater.'</p>	<p style="text-align: right;">"</p> <p style="text-align: center;">:</p> <p style="text-align: center;">.</p>
<p>We must fight such shameful rumors. The mission that <b>Mohammed</b> achieved and fulfilled is still the lit candle for the past twelve centuries for approximately two-hundred-million people.</p> <p>How would one believe that the principles, which this huge number of people lived and died by were a mere lie and trick!?</p>	<p style="text-align: center;">.</p> <p style="text-align: center;">.!</p>
<p><b>I call upon the chief editor of the Magazinet</b> to rather read the biography of our great Prophet PBUH and not to deprive himself a bountiful source of knowledge.</p> <p>Ridiculing such a great and noble man and prophet and instigating others to do so would bring nothing else but misery and loss to such doers.</p> <p>It is better for such people to learn about the ideal human being in the person of <b>Mohammed</b> ﷺ.</p>	<p style="text-align: center;">: ( )</p> <p style="text-align: center;">.</p> <p style="text-align: center;">ﷺ</p> <p style="text-align: right;">ﷺ.</p>
<p>It is rather extremely disappointing and depressing for the (Magazinet) itself and its' editors and editor-in-chief, and also for the entire Norway government that the only information they have about <b>Mohammed</b> ﷺ is the bit they ridiculed him for.</p> <p>Allah, the Almighty told the truth saying in the Glorious Quran 36:30, 'Woe be to mankind! Never a messenger was sent to them except they ridiculed him</p>	<p style="text-align: center;">( )</p> <p style="text-align: center;">ﷺ</p> <p style="text-align: center;">) :</p> <p style="text-align: center;">. [ : ] (</p>
<p>I call upon these ridiculing people, who ridiculed Allah's Messenger SAAW, and I call upon the non-Muslims to do-themselves-a-favor, to read the noble biography of the honorable Prophet and Messenger of Allah, the Almighty.</p> <p>They will be doing themselves a favor by reading the best biography of a man on-the-face-of-earth ever.</p>	<p style="text-align: center;">.</p>

<p>He is the perfect man, the perfect leader, the perfect teacher, the perfect human being, the perfect father and the perfect all-in-all man.</p>	
	:
<p>We declare complete innocence from every person who attempts to attack our beloved prophet ﷺ.</p> <p>We believe that it is the duty of all governments, organizations and Islamic societies all over the world to disapprove and deny such fact falsifying acts.</p> <p>All also, have the duty to illustrate to the non-Muslim peoples the truth of our beloved prophet and introduce his faith to them.</p> <p>The western media, thorough the Zionists' aid, support, and their extremist Christian assistants had exerted every possible evil effort to distort the religion of Islam and the life of our beloved prophet and the mission that he called for.</p>	<p>.</p> <p>ﷺ</p> <p>.</p> <p>ﷺ</p>
<p>For the interest of those who would like to rebut, request a formal apology and object to such false claims, the email address of the Norwegian Magazinet is:</p> <p><a href="mailto:magazinet@magazinet.no">magazinet@magazinet.no</a></p>	<p>(Magazinet/ )</p> <p><a href="mailto:magazinet@magazinet.no">magazinet@magazinet.no</a></p>
<p>It is equally important to rebut the false claims of such people openly as they attacked openly.</p> <p>I hope that this article will achieve at least minimum results.</p>	.
